

Chateau d'Issan

France - Bordeaux

With its buildings and its vineyard, the Issan estate is unique. It has a château of remarkable beauty and land of amazing abundance. Everything here contributes to maintaining the keen Issan identity.

We are proud of our long history. Château d'Issan is primarily the story of a legacy handed down from generation to generation and the rekindling of the quest for excellence at every transmission.

Our enthusiasm is apparent in our methods and the way we approach our work, striving constantly to bring out a genuine expression of our terroir while shunning any form of artifice.
