

# Clos Solene Harmonie

Clos Solene

United States - California - Paso Robles

Composed of 5 of the best vineyards on the west side of Paso Robles with mainly limestone and shale terroirs, brought elegance and pureness to this vintage. Aged for 16 months in larger used barrels, it delivers, on the nose, an incredible bouquet, and on the palate, notes of strawberries followed by some silkiness texture with delicate tannins and a great acidity.

| Specifications         |   |
