

# Clown Shoes YeeHaaw

Clown Shoes Brewing Co

United States - Massachusetts - Ipswich

Jim and his wee asteroid were meant for each other. Jim commands from his majestic hobby horse, and the asteroid charts a path with access to vegetation ripe for his galactic lasso. Brewed in celebration of their 9th Anniversary: YeeHaaw! Is a Clown Shoes take on the 2018 haze craze of New England IPAs. Strong citrus aromas and juicy full-bodied flavor define this IPA, which is brewed with flaked oats and wheat and double dry hopped with Galaxy, Columbus, Citra, and Mosaic hops.
