## Colmant Cap Classique & Champagne

### South Africa - Western Cape - Method Cap Classique

Delicate light gold color with a lime-green hue. The nose is fresh, lemony and floral with notes of green apple, followed by yeasty and biscuity aromas brought by the lengthy maturation on the lees. Very fine bead of bubbles with a persistent mousse. Opulent on the palate, this wine shows a harmonious balance between fresh zestiness, mineral complexity and a warm breadth of leesy creaminess. It promises to develop great texture over time.
