Atkin** MW

"Revolutionary in its day, and still one of Argentina's leading white blends, Lágrima Canela marries Chardonnay with 30% Semillon, all of it from Gualtallary at 1,200 metres.

Fermented separately and aged in new French oak, this is fresh, intense and pale in colour, with subtle camomile and beeswax aromas, spicy oak and layers of citrus and quince fruit. This will age really well too."
