JAMESUCKLING.COM 

"A juicy and expressive malbec with some dark earth and black peppercorn spices on top of the blackberries and fresh herbs. Generous and velvety with some black tea and ripe black fruit to the mid-palate. Tannins are silky and melted. Drink now."

"The 2020 Malbec Monteagrelo was aged for 12 months in French oak. Purple in the glass. The intense aromas feature plum liqueur, cassis and hints of blackberry in an oaky, cigar box frame. The palate is broad and full-bodied with a channeled but voluminous, grippy flow. - Joaquín Hidalgo"
