

CHARLES DURET

CRÉMANT DE BOURGOGNE

90

points

i-winereview.com

"A blend of 70% Pinot Noir and 30% Chardonnay made the traditional method and aged on the lees for 9 months, the Charles Duret Crémant de Bourgogne offers a nose of pastry and orchard fruit that are mirrored on the palate with the addition of some toasty lees. It's full in the mouth, fresh and a touch steely in character, and finishes with good length and lingering fresh flavors."
