explore all things wine

"Deep violet. Powerful aromas of cherry, cassis and dark chocolate are given lift by a peppery element that gains strength with air. Sweet and seamless on the palate, offering pliant dark fruit, floral pastille and chewing tobacco flavors and a strong jolt of exotic spices. Round, even tannins build steadily on an impressively long, focused finish that emphatically repeats the floral and spice notes. 20% new French oak.

- Josh Raynolds"
