JEB DUNNUCK

"The Grenache-dominated cuvée is the 2018 Harmonie, which is 70% Grenache, 16% Syrah, and 14% Mourvèdre. It's a big wine, yet it shows a fresher, beautifully vibrant nose of black raspberries, licorice, candied flowers, and spice that opens up beautifully with time in the glass. Brought up mostly in neutral barrel, it still has a kiss of background oak in its aromas and texture and is beautifully balanced, full-bodied, and elegant on the palate. It's a well put together Grenache that reminds me slightly of a more modern styled Châteauneuf du Pape. Drink it over the coming decade or so."
