WINE ENTHUSIAST

"Aromas of exotic spice, Craisins, dried thyme, black currant, vanilla and black licorice are out front. Fruit and barrel play off each other nicely on an elegant, cranberry-filled palate. It has a pleasing mouthwatering sense to it.

"Full medium red. High-toned scents of blackberry, violet and licorice. Juicy and nicely delineated, with intense flavors of blueberry, boysenberry and violet supported but not overwhelmed by spicy oak. Finishes fresh and firm, with well-managed tannins, good energy and length, and a late note of dark chocolate. Clean and well-made.
