explore all things wine

"Vivid purple. Highly perfumed, spice- and smoke- accented aromas of ripe dark berries, smoked meat, olive paste and candied violet, lent urgency by a minerally element. At once rich and lively in style, offering concentrated blackberry, blueberry and floral pastille flavors that turn sweeter as the wine opens up. Shows excellent clarity on an impressively long, clinging finish that features youthful, gripping tannins and an emphatic, smoky bacon flourish. All whole clusters.
