explore all things wine

"Dark purple. Highly perfumed, oak-spiced black and blue fruits, incense, vanilla and potpourri on the hugely perfumed nose, along with hints of licorice, smoked meat and mocha. Stains the palate with concentrated, spice-laced blueberry, cassis, cherry-vanilla and espresso flavors that turn sweeter as the wine opens up. Broad, polished tannins add shape to a strikingly long, smoke- and spice-driven finish that strongly echoes the floral and blue fruit notes. - Josh Reynolds"
