"The 2015 Barolo Sori' Gepin needs quite a bit of air to open, but it is so expressive as that starts to happen. Dried flowers, cedar, tobacco and autumn leaves are laced together in a mid-weight, savory Barolo loaded with character. The 2015 remains nervy and taut, but that is the house style. - Antonio Galloni"

"This is very tight and focused with dried-strawberry, rust, conifer and burnt-orange aromas and flavors. It's full-bodied, tight and powerful with solid tannins that turn round and attractive.

Drink in 2023 and onwards."
