"The 2017 Estate Reserve Syrah comes entirely from Greyton, 40% whole cluster and aged in 500-liter barrels with 40% new oak. It has a very refined, perfumed bouquet of red cherries, crushed strawberry, broom, iris and a touch of potpourri. The palate is very well balanced, offering fine tannin on the entry, good weight in the mouth and blackberry, blueberry, clove, star anise and light fennel notes toward the finish. There is very good length here, but it needs another year or two in bottle to fully coalesce. Great potential.

- Neal Martin, Aug. 2018"
