"Light lurid red. Fresh, energetic and incisive on the highly perfumed, spice- and mineral-accented nose. In a nervy, graceful style, offering gently sweet raspberry and floral pastille flavors that show very good concentration yet no obvious weight. Silky tannins sneak in late on the clinging finish, which leaves hints of white pepper and red fruit preserves behind. This graceful, entry-level Pinot delivers outstanding value. (aged for 10 months in 10% new French oak)"
