Patiemment 2015

"A step up both in quality and in price, the 2015 Cahors Patiemment is all Malbec, from clay and limestone soils, that was brought up mostly in tank, with 15% in oak. More balanced than the Maintenant release, with notes of blueberries, chocolate, crushed rocks, and hints of graphite, it's medium to full-bodied, rounded, layered, and textured on the palate. It's a beautiful wine and I'd pay the uptick in price."
