

Protest Red Wine

The Rye whiskey aromas are uniquely subtle, and meld well with the silky, dense-fruit Syrah with hints of cigar box and fresh leaf tobacco. The intense, dusty-black fruit flavors have a warm intermingling of the Rye whiskey flavors. It taste like a sumptuous wine, but then it has transformed into a different animal, with the Rye whiskey aromas and tastes. More delicious chewy, bacon-fat tones, with deep blackberry and black raspberry jam highlights. It invokes a pipe smoke-filled room with old classic novels lying about.
