## ROSÉ Special Cuvée

Certified Organic and Vegan.  
Fresh and fruity with delicate scents of  
gooseberry and redcurrant. Glera and  
Raboso are blended before foaming process.  
Glera - the variety used to make Prosecco -  
brings liveliness to this cuvée. Raboso, an  
indigenous red grape of the Venetian  
region, is well-known for its red fruit  
aromas and smooth taste.
