"This vintage Blanc de Blancs from the outstanding 2008 vintage provides lively, precise aromas of lemon meringue pie, honeysuckle and chalky minerals. The palate is equally intense with beautifully delineated ripe citrus and hints of cling peach and baked apple. While hedonistically rich and richly textured, the wine is light on its feet, finishing with excellent clarity and luscious lemony extract. 100% Chardonnay with 7 g/L RS. 8+ years on the lees."
