## JEB DUNNUCK

"One of the gems in the lineup from Xavier is the 2016 Gigondas which is made from 85% Grenache and 15% Mourvèdre, from a number of terroirs, but mostly from higher elevation, limestone sites. Its deep purple color is followed by terrific notes of ripe blackberries, toasted spice, and dried herbs, with a hint of graphite. Full-bodied, rich and concentrated, with brilliant purity and lots of tannins, **it's killer wine to enjoy over the coming decade or more.**"

**JAMESSUCKLING.COM** 

"This is a very impressive expression with such intense, energetic and vibrant ripe cherries and red berries. The palate has such prowess and precision.

Drink or hold."
