

Couvreur Cap a Pie Whisky

Michel Couvreur

France - Burgundy - Bouze-Les-Beaune

First edition in 2018, it should become a classic! This is Michel Couvreur's usual "The Unique whisky" with a higher proportion of Malt Whiskies. Iodized fragrance with a hint of almond, vanilla sweetness, light floral fragrances, white fruits. The palate is nervous yet round with a hint of Sherry flavors. Gourmand and drinkable, it is enjoyed as an aperitif at low temperature. The high proportion of malt whiskies makes the after tastes become more complex.
