## Les Gelinottes

### VENTOUX

2015

"... The 2015 Ventoux les Gelinottes offers beautiful purity and freshness, with lots of sappy spring flowers and peppery characteristics intermixed with darker berry fruits, crushed rocks and licorice. Drink this incredibly polished, balanced and layered 2015 anytime over the coming 4-5 years. Like most of these 2015s from the Jaume Brothers, it's a killer value."
