

MANOIR DU CARRA Beaujolais

Cru Moulin à Vent 2014

"The 2014 Moulin-à-Vent les Burdelines has a refined, serious bouquet with subtle briary and woodland scents infusing the dark berry fruit. The palate is medium-bodied with fine tannin, a gradual build in the mouth toward a bright and vivacious dark cherry and cranberry finish that feels long and harmonious. This is a lovely Moulin-à-Vent to enjoy over several years."
