

*Clos de l'Hermitage*  
CÔTES DU RHÔNE

The wine is a very grapey color in the glass. There is a light nose of tightly packed black fruit, dried herbs, pepper, and licorice. In the mouth there are tight-grained blue fruit, fine, powerful tannins, and a little strawberry flavor breaking loose. With air the wine reveals pencil and pepper flavors along with the structure for aging.

KYSELA PERE et FILS, LTD.
