

Domaine de Mus Rose

Chateau de Mus

France - Languedoc-Roussillon

This blend of Grenache and Cinsault has a nice rose petal color with mango shades. On the nose, dominating notes of raspberry, wild peach, and pink pomelo are present. On the palate it is round and refreshing, with a crisp mix of red fruit and citrus notes. Delicious, acidulous harmony.

Available in 750 ml bottle & 3-liter bag-in-box.

Specifications

Varietals	60% Grenache and 40% Cinsault
Agricultural Practices	Sustainable
Soil type	clay & limestone
Vinification	Fermentation, with the addition of specially selected yeasts for their aromatic qualities, lasts 40 days, in stainless steel temperature-controlled vats. During fermentation, different juices are regularly added into the blend as different varieties are harvested.
