

Escutcheon Kerlogue Red Ale

Escutcheon Brewing Company

United States - Virginia - Winchester

The story of the Irish Ship MV Kerlogue is as interesting as it was tragic, and as heroic as it was ironic. Like Ireland as a whole this humble merchant ship maintained neutrality during WWII, yet faithfully aided in heroic rescues-at-sea for both German and Allied forces while also sustaining attacks from both sides. Brewed with care and commitment, there's no need to pick sides, just enjoy the steadfast flavor of the traditional Red Ale that bears her name. Slainte!
