

Hightower Cabernet Sauvignon Red Mountain

Hightower Cellars

United States - Washington - Red Mountain

As Hightower Cellars' signature wine, Cabernet Sauvignon is a classic Red Mountain wine – bold and full of the flavors that make this region so special. As much as possible, Tim and Kelly Hightower take a non-interventionist approach to winemaking. They place great emphasis on vineyard selection, picking, pressing, and blending so that Hightower wines are naturally beautiful and free from pretense. They let the powerful and concentrated fruit from Red Mountain speak for itself. The result is a collection of well-balanced, nuanced wines that reveal something new and interesting each time you open a bottle.

Aromas of tart blueberry and lush red cherry dominate the nose, while firm tannins and full body lend structure to this inky, pigmented wine. The palate features notes of dark fruit, fresh cut wood, and dried tobacco. This wine is an excellent candidate for decanting, as the aromas evolve wonderfully over time to express softer, lush fruit and hints of herbs and spices.
