

Jackie O's Vanilla Coffee BB Dark Apparition

Jackie O's

This hauntingly good brew is rife with dark complexities. Seven malts were used to create deep flavors of coffee, chocolate, caramel, and molasses. A hint of bitterness and herbal character from carefully selected European and American hops help support the monolithic maltiness.

This special batch was aged in bourbon barrels and conditioned on vanilla beans and whole coffee beans. A truly decadent brew that is intended to be poured into your favorite snifter and given time to warm up from its dark and cool resting place.
