

Jozen Mizuno Gotoshi Junmai Ginjo Nigori

Shirataki Shuzo

Japan - Nigata Prefecture - Echigo Yuzawa

Inviting aromas of mint, marshmallow and Asian pear pull you into this drink. Surprisingly dry, this Nigori (cloudy) style sake has a rich, chewy texture. The intriguing mid palate features mint, white chocolate, and tart cherries. The finish belies our expectations with an elegant, softness of minerals that settles in a dry finish.
