

La Despensa Boutique Colchagua Field Blend

La Despensa Boutique Winery

Chile - Central Valley Region - Colchagua Valley

Our flagship Rhône-blend, produced from grapes from our own, organic vineyard in Colchagua. Our passion is producing very high-quality grapes- it's the vineyard work that we love the most. So this blend is always a little different year-on- year, as we make whatever the vineyard gives us. In 2020 we incorporated a little Roussanne to the blend, which adds some mouthfeel and a tiny background note of tropical fruit, to accompany the fresh fruit and structure that the other varieties give.
