

Montino Light Moscato

Riebeek Cellars

South Africa - Western Cape - Coastal Region - Swartland

Montino Moscato Light is delightfully light, delicate and pure. Following a strict policy of "nothing added, nothing taken away", grapes are picked greener with less sugar for a wine that is naturally sweet and lower in alcohol.

Pale straw color with a light green tinge, the bouquet is bursting with Muscat grape aroma, peach notes and delicate orange blossoms. The flavors follow through on a light, refreshing, slightly-sparkling, spritzy palate. This elegant, lighter style Muscat wine is low in alcohol, while the mouth filling sweetness is well balanced by refreshing acidity and a lingering finish.

Specifications

Appellation	Coastal Region - Swartland
Varietals	100% Muscat
Pairings	This wine should be served well-chilled. It is an ideal lunchtime wine, complementing light summer salads and tapas style meals, yet versatile enough to be served at most occasions.
