Avennia Justine Red Blend
Avennia
United States - Washington - Yakima Valley

Justine reflects our belief that Washington is capable of producing world class blends of grape varieties traditional to the Southern Rhone region of France. The name is inspired by one of the great heroines of recent literature, who also sprung from the imagination of the Mediterranean. Dark, seductive, complex, with a chasm of depth: The Justine is a great reflection of Avennia's mission of expression, and Washington's generous terroir.

Leading with aromas of black raspberry,kirsch, lavender, jasmine, and wet limestone, the palate is concentrated and focused, with a complex array of dark red fruits, blackberry from the Mourvedre, licorice root, garrigue, and finishing with savory umami notes and a stony minerality that evokes the Old World wines that inspired this classic blend.
