

Barolet-Pernot Pere et Fils

France - Burgundy

Domaine Barolet-Pernot Pere et Fils is a small Estate located in Saint Romain. They currently have 14 hectares (34 acres).

The Estate dates back from 1570.

In 1619, the 2 Barolet brothers, Pierre and Philibert, are taking care of the winemaking. The current logo on the label is a tribute to the two brothers. At that time, it was only under the name Barolet.

In 1957, the union between André Barolet (from Saint Romain) and Huguette Pernot (from Puligny) gave a new name to the winery: Barolet-Pernot.

In 1980, Didier (son of André and Huguette) took over the Estate with his wife Céleste.

Since 2017, their son Romain is in charge of the Estate with the help of his brother Stéphen and his sister Sophie.
