

Cava Dioro Baco Brut Rosado Pinot Noir

Bodegas Escudero

Spain - La Rioja

The grapes come from the property owned vineyards in the municipality of Grávalos, south of Monte Yerga at the foothills of the “Cordillera Ibérica” at an altitude between 700–800 meters above sea level. A very high located area where you obtain fresh wines with little alcohol content and with very fine and elegant aromas.

The Pinot Noir variety originating in Burgundy is one of the three most important varieties in Champagne. Harvested around the second and third week of September. The collection of the grapes is done manually, selecting the grapes, preventing any deteriorated grapes from reaching the press or not complying with the quality required to elaborate our cavas.

Raspberry pink with steely glare. Fine bubble that forms a small rosary of slow evolution. Fruity aromas of strawberry, raspberry and flowers (rose petals). Pleasant and potent in the mouth with light acidity and a bubble very well integrated. Persistent and elegant.
