

Dog Bone Pinot Noir Sonoma Coast

Flanagan Winery

United States - California - Sonoma Coast

Dog Bone is a serious wine with a fun label!

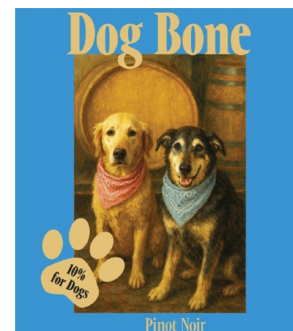

We wanted to make a great wine at a fair price and help dogs across the country. 10% of all profits will go to Humane Societies in places we sell Dog Bone. Sales of this wine are also helping North Coast Grape farmers by finding a home for their excess grapes.

The 2024 growing season delivered ripe, clean fruit with great flavors. The nose has notes of Cherry blossom and Rose hips. On the palate the wine shows ripe Black Cherry and Cola notes and has beautiful balance.

pH: 3.75g/L

TA: 5

ABV: 13.5%
