

Flanagan Pinot Noir Sonoma Coast

Flanagan Winery

United States - California - Sonoma Coast

The Sonoma Coast AVA is becoming known as the top source for cool climate Pinot Noir. Flanagan Pinot Noir is founded in letting each site and each vintage express itself. They do not have a dogmatic approach to wine-making. Pinot Noir, more than any other grape variety, is made in the vineyard.

The nose is reminiscent of Chambord with rich raspberry notes. The palate has great depth of fruit and notes of Christmas spices like clove and nutmeg. The wine displays vibrant acidity and has a very clean finish. Our Flanagan Pinot Noir Sonoma Coast pairs beautifully with duck, salmon, pork and game; like pheasant, venison, and elk.
