

Flanagan The Beauty of Three Pinot Noir

Flanagan Winery

United States - California - Sonoma Coast

The Flanagan "Beauty of Three" Pinot Noir Sonoma Coast has a pretty nose with crushed Black Plum skin, Citrus Blossom, and Hazelnut. On the palate, the wine shows Red and Black Plum, rich turned earth, and a fascinating Nutella note on the finish. It is a complex wine and one I really enjoy.

Our wine making is always focused on balance, and on allowing the site and the vintage to express themselves. This wine is made for top Restaurants and Country Clubs to feature as a "by the glass" pour and is a fantastic introduction to the quality of our vineyard sites and wine making.

pH: 3.68

TA: 5.74
