

La Despensa Boutique Colchagua Cinsault

La Despensa Boutique Winery

Chile - Central Valley Region - Colchagua Valley

A genuinely unique wine- we are the only producers of Cinsault in Colchagua! From a new vineyard planted in 2017, we think we've hit the jackpot with this variety in this valley. Much more structure, color and intensity than the typical Chilean Cinsaults from further south, this is an easy drinking but serious version of this wonderfully fruity variety!
