La Despensa Boutique Colchagua Field Blend

La Despensa Boutique Winery

Chile - Central Valley Region - Colchagua Valley

This is La Despensa's flagship Rhône-blend, produced from grapes from their own, organic vineyard in Colchagua. Their passion is to produce very high-quality grapes - it's the vineyard work that they love the most. So this blend is always a little different year after year, as they make whatever the vineyard gives them. In 2020 they incorporated a little Roussanne to the blend, which adds some mouthfeel and a tiny background note of tropical fruit, to accompany the fresh fruit and structure that the other varieties bring out.
