

La Despensa Boutique Colchagua Sangiovese

La Despensa Boutique Winery

Chile - Central Valley Region - Colchagua Valley

The first vintage from our new Sangiovese vineyard has given us a major hint that our risk-taking approach to planting new and less common grape varieties in our neighbourhood has once again borne fruit! This is a fresh and fruity take on a classic Italian variety, but with the typical savoury notes of tomato and cherry. Perfect for early drinking, but will improve for many years to come.
