## Le Jade Chardonnay

## Les Costieres de Pomerols

## France - Languedoc-Roussillon

The wine comes from south-facing vineyards planted on clay and limestone hills overlooking the Etang de Thau, a coastal lagoon situated between the port of Sète and Cap d'Agde.

Le Jade Chardonnay offers a wonderful yellow color, a complex nose of white flowers, green apples, mild tobacco, and vanilla. Rich and full-bodied mouthfeel, concentrated with a fresh fragrant finish.

## Specifications

| Varietals | $100 \%$ Chardonnay |
| :--- | :--- |
| Agricultural Practices | Sustainable |
| Vinification | Grapes are picked at night at perfect maturity (13.5 degrees <br> ). Skin-contact maceration for several hours during the <br> filling phase of the pneumatic press. All transfers of <br> grapes and grape juice are under inert gas to avoid <br> oxidation. Only the best quality free-run juice is then <br> selected. Cold settling for 48 hours at 8 degrees C. Slow, <br> temperature-controlled fermentation (16 degrees C). Stirring <br> of lees with inert gas. No malolactic fermentation. No <br> barrel aging. Some of the wine was in contact with oak <br> chips. |
| Pairings | Serve with a gratin of scallops, pan-fried sole, or <br> grilled oysters with shallots, parsley and a touch of cream. <br> Also great with goat cheese or chocolate cake! |
