

Levendi Sweetwater Cabernet Sauvignon

Levendi Winery

United States - California - Napa Valley

From high upon the rocky slopes of Atlas Peak above Napa Valley, comes this elegant and graceful, limited production Cabernet Sauvignon.

The Sweetwater is back and better than ever. The vivid red soils and rocky outcroppings come together to produce a wine that offers sage and white pepper notes on the nose with beautiful wild plum aromas. Bright flavors of big black cherry and chapparal bounce around on a base of mountain tannin and solid natural acidity.
