

# LoveR Coteaux d'Aix en Provence Blanc

## Le Cellier d'Eguilles

### France - Provence - Coteaux d'Aix-en-Provence

Bright, pale yellow color. The nose boasts white fruits with a touch of citrus. The mouth reveals nice notes of peach, exotic fruits and citrus.

## Specifications

|                               |                                                                                                                                                                                                                                                                                                                             |

| <b>Soil type</b>              | Clay and Limestone                                                                                                                                                                                                                                                                                                          |
| <b>Vinification</b>           | Harvest is carried out at night when temperature is coolest. The grapes are pressed as soon as they get to the winery in nitrogen-inerted pneumatic presses. Juices are then cold-settled before undergoing low-temperature fermentation.<br>Concrete tank. No ML fermentation. No oak elevage. Residual sugar under 1,5g/l |
| <b>Production</b>             | 5,000 (9-liter cases)                                                                                                                                                                                                                                                                                                       |
| <b>Pairings</b>               | Aperitif, white meats, seafood or goat cheese.                                                                                                                                                                                                                                                                              |
