

Montebuena Rioja

Cosecheros de Labastida (Montebuena)

Spain - Rioja - Rioja Alavesa

Montebuena - which means 'good mountain' - is the name of one of the best quality areas of Rioja. It is located in the eastern part of the village of Labastida and covers more than 160 hectares (395 acres).

Viticultural records go back several centuries, but the best evidence of its winemaking history is its “lagares rupestres” – man-made formations, carved into large rocks in the vineyards, consisting of three holes where the grapes were pressed to obtain the juice prior to fermentation. These were used between the 9th & 18th centuries.

Montebuena displays a brilliant deep ruby red color. Aromas of juicy fruit combine with a spicy vanilla bouquet. Smooth and fruity in the mouth, with some well-integrated secondary nuances. Full-flavored with a persistent, pleasant finish.
