

Quilceda Creek Cabernet Sauvignon

Quilceda Creek Vintners

United States - Washington - Columbia Valley

Since the founding in 1978, Quilceda Creek has dedicated itself to one thing: producing world-class Cabernet Sauvignon. Director of Winemaking Paul Golitzin believes that the winery’s greatest assets are the vineyards of the Columbia Valley. Through vineyard ownership and control, and through precision farming, they are able to grow and produce the highest caliber Cabernet Sauvignon. In award of their relentless pursuit of producing perfect Cabernet Sauvignon, Quilceda Creek has received seven 100 Point ratings from Wine Advocate, three 100 Point ratings from Owen Bargreen, two 100 Point ratings from Decanter and three Top Ten Wines of the Year from Wine Spectator.

The 2020 Quilceda Creek Columbia Valley Cabernet Sauvignon is a classic wine, displaying a core of blackberry, blueberry and plums, with nuances of sandalwood and anise. Exotic notes of black walnut, hoisin sauce and cocoa nibs add layers of complexity to this seductive wine. The palate has tremendous density and concentration due to the small berry size produced by Quilceda Creek's vineyards.
