

Quilceda Creek Cabernet Sauvignon

Quilceda Creek Vintners

United States - Washington - Columbia Valley

The 2016 vintage was stellar due to warm summer growing conditions and cool temperatures in the fall, which extended hang-time and developed complex aromatics and flavors. Winemaker Paul Golitzin describes the wine's texture as luxurious, with layer upon layer of rich and concentrated crème de cassis, blackberry and black plum fruit coating the palate with a deep, memorable impact. Nuances of violet, anise, leather, dark chocolate, black truffle and minerals can also be found in this incredibly pure wine of great power and finesse. It will drink well on release and over the next 2-3 decades.
