

# Schwarz Nitschke Block Shiraz

Schwarz Wine Co.

Australia - South Australia - Barossa Valley

This Bethany vineyard was planted by Jason Schwarz's parents in 1968 and has been tended to by the hands of his family ever since. The vines are dry-grown and produce small crops of intensely flavored fruit.

A display of the purest blood-plum and black cherry, with cracked black peppercorn and streaky bacon over some seriously fine oak. Some subtle herbaceous qualities, nettle and thyme bring life to an otherwise immense nose. Very juicy on the palate, deeply flavorsome, long and with mouth-coating tannin for a very textured, very focused Barossa classic.
