

Siegel Hand-picked Selection Reserva Carmenere

Vina Siegel

Chile - Central Valley Region - Colchagua Valley

The handpicked Reserva wines are born out of a strong desire to offer the very best expressions of terroir from El Crucero vineyard, located at 360 meters above sea level. These carefully handpicked grapes deliver superb varietal characteristics and exceptionally well-balanced fruit concentration. The manual harvest behind the handpicked Reserva Wines, a stage prior to a second triage, highlights Siegel's commitment to delivering uniquely handcrafted wines from Curico Valley.

The wine shows an intense violet - red color, aromas of black fruits, pepper and mild notes of violets. The tannins are soft, and notes of black fruits linger through the palate with long persistence.
