

SonVida Alegria Red Blend

Sonvida (Casa Altamira)

Argentina - Mendoza - Uco Valley

This single vineyard blend is from David & Sonia's Alegria vineyard. Planted in 2002, the Paraje Altamira vineyard sits 3,000 feet above sea level, and is named after their daughter:

"We named our vineyard in the Andes of Argentina after our daughter, Alegria. When we first saw the land, she was a baby in our arms. Now, as she goes to college, this wine celebrates her journey."

Cherry and raspberry aromas of cool-climate Malbec are complemented by Altamira's chalky mineral tones. The Syrah lends floral and white pepper aromas. The Cabernet is present on the palate, providing structure and wrapping around the plummy Malbec and raspberry Syrah. Ripe, dry tannins and stony minerality on the finish.

Specifications

Appellation	Uco Valley
