Fondillon Luis XIV

Spain - Valencia - Alicante

Light brown color and orange tile rim, with medium intensity. On the nose, the warm aromas of dried fruits (hazelnuts, toasted marcona almonds) and very old noble wood stand out. In the mouth, it is almost dry, friendly and very enveloping. Its aromas of hazelnuts, cinnamon and dried figs are combined with the creamy toasts of centennial oak. Long and clean finish.

The packaging itself is very attractive and what makes it really special is the screen printed luminescent ink!
